Contract discounts are applicable on quantities of 26 or more draperies.

Drapery standard height is 7'-6". Shorter height can be ordered, and the price reduced proportionately.

Shipping and handling must be added to the above prices.

Drapery track or other hardware is not included.

When ordering, just give us your drapery track width, and the size of the returns to the wall that you need.

When you give us the height, please deduct for clearance from the floor. We make no allowances.

Fabrics for our draperies can be selected from all major suppliers at their cost prices as listed.

All fabrics offered under this SIN meet NFPA Standard 701 for flame retardancy.
